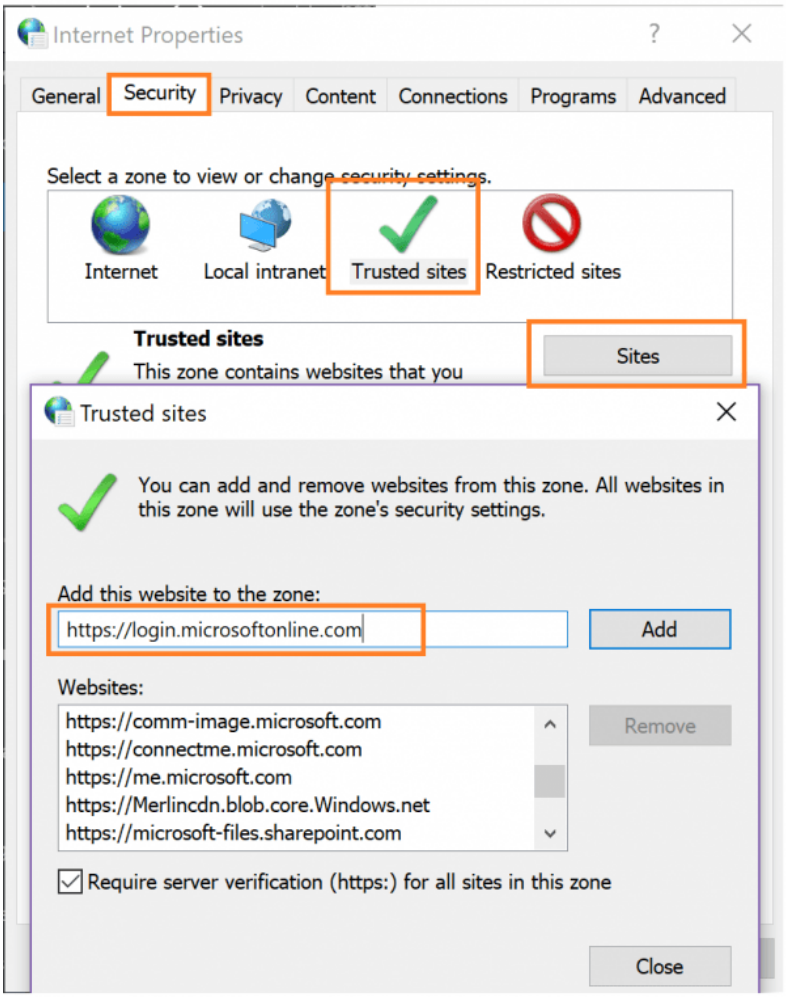
Assignment 1

Name : Emmadi Sumith Kumar
Roll No : UI20CS21
Batch : A1

Select any browser and try to secure your browser by following settings:

(i) trusted sited/blocked sites etc.

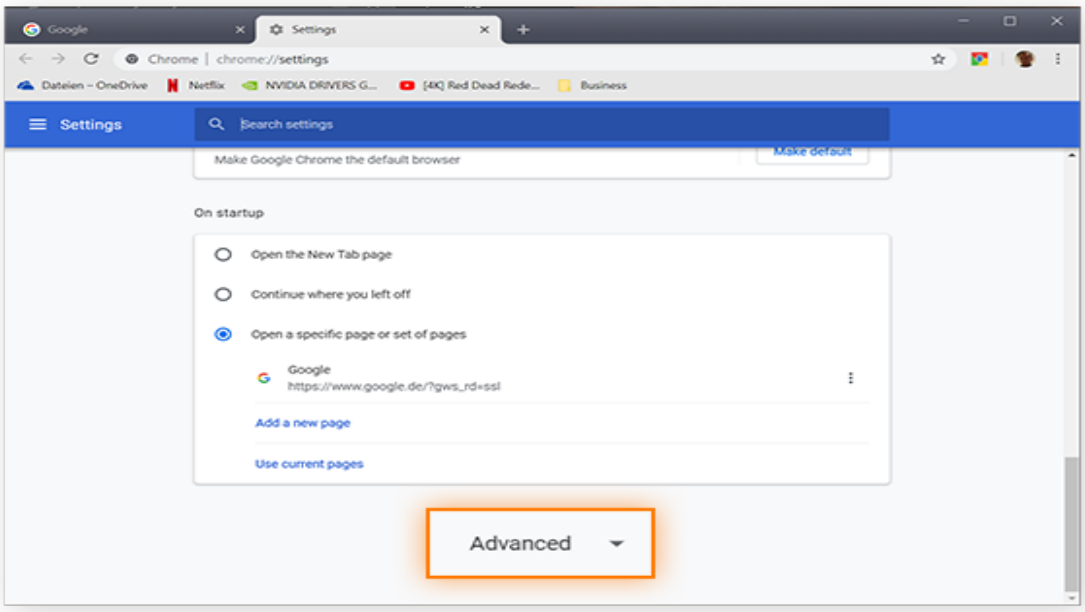


(ii) by enabling or disabling the cookies.

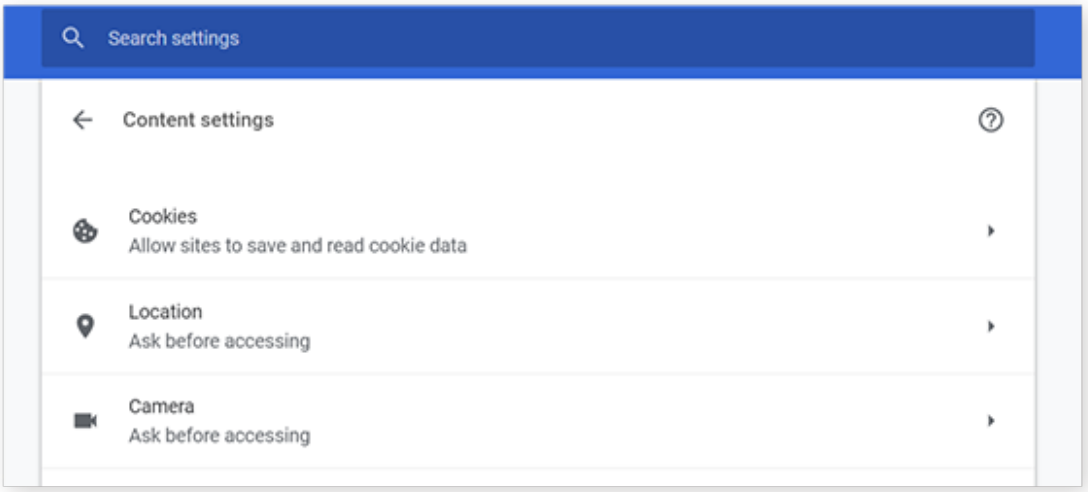
1. Launch **Google Chrome** and click on the little three dots in the top-right corner.

   Select **Settings**.

2. Scroll down to the very end of the page. Click the little **Advanced** link at the bottom of the page.

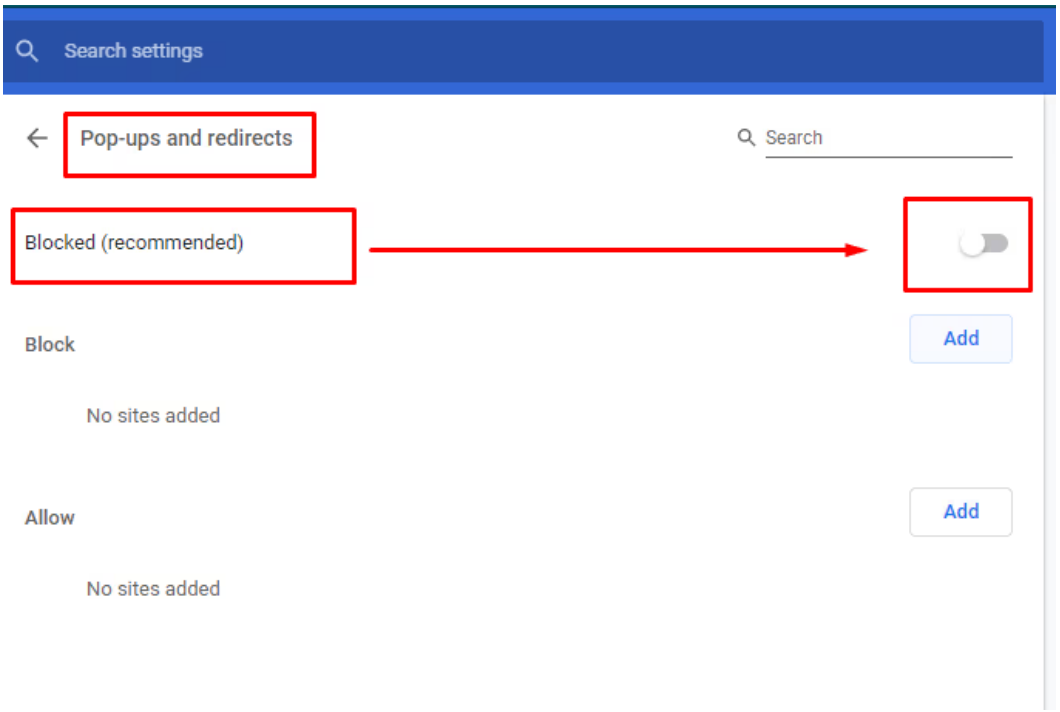


3. You then see another long list of items. Under the **Privacy and security** section, find the **Content settings** entry. Click that.

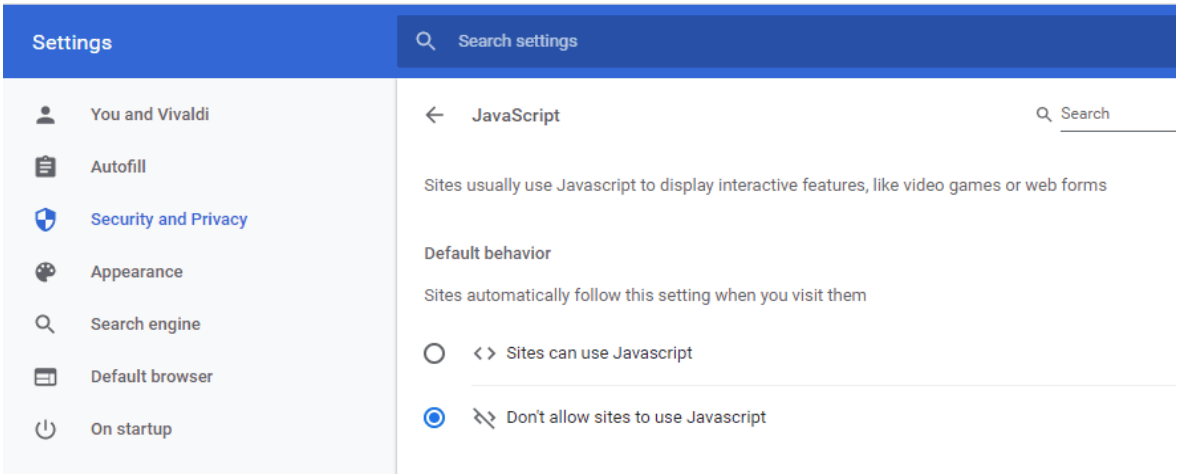


4. To disable cookies, flip off the switch next to **Allow sites to save and read cookie data (recommended)**. From now on, cookies are blocked.

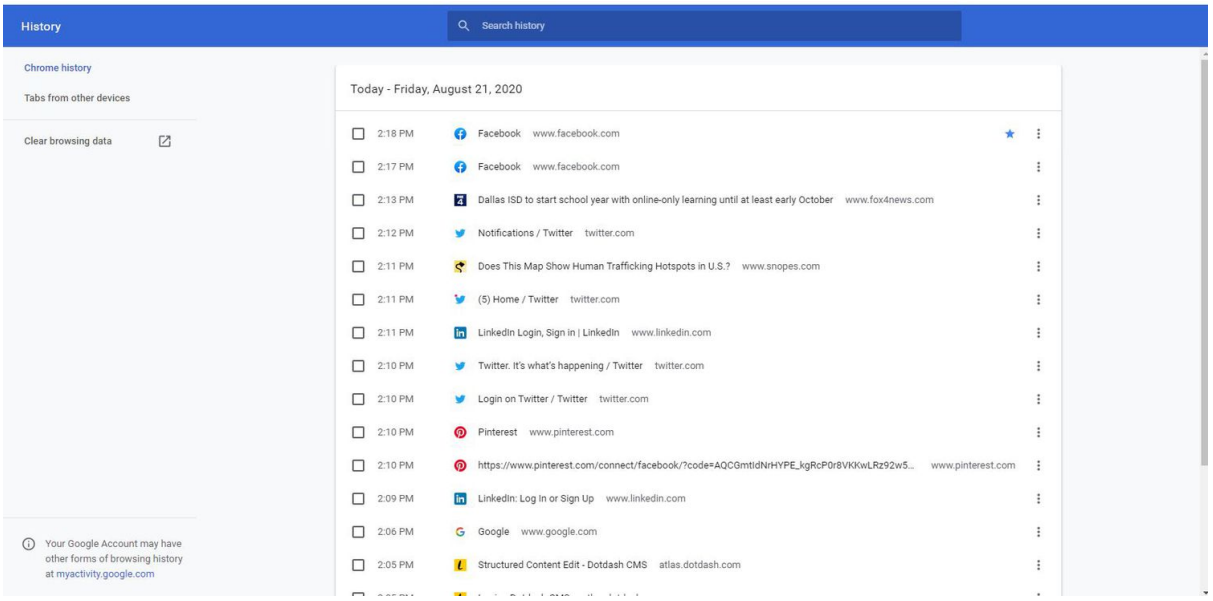
(iii) use of pop up blocker



(iv) by enabling or disabling scripts



(vi) browsing history



(vii) saving passwords/master password
